

**The
3-Year
“Chapter-a-Day”
Bible Reading
Schedule**

*(For slow readers
or thorough students)*

Designed by
Jim Bray

Many Christians (perhaps you also) have tried in the past to follow a schedule to read the entire Bible in a year. Eventually, many believers (if not most) fall too far behind to be able to catch up and complete the reading that year. Often this happens year after year, and they never make it through the entire Bible. This is discouraging and brings on a guilt complex. Therefore, a shorter reading assignment that could be more easily completed each day would be more encouraging, develop more consistency in regular Bible reading, and would get the reader all the way through the Bible every few years. It's better to complete the entire Bible every three years than to never complete it! That's why this schedule was developed--to be a help and encouragement, and to develop a consistent habit of Bible reading each morning! (If you can only read your Bible once each day, be sure it's in the morning, like a spiritual breakfast, to strengthen you throughout the rest of the day!) You might want to put a checkmark by each day's reading assignment once it's completed. May God help you in this endeavor!

This schedule is dedicated
to all believers
and to the glory of God.
